

All Township Schools Will Open on Sept. 13; Record Enrollment Is Expected

Washington Union High School and the nine elementary schools of the township will open their doors for the beginning of the 1948-49 school term on Monday, September 13.

Enrollments, which have shown a steady climb in all the schools in the past three years, are expected to hit an all-time high this term, according to the predictions of school principals.

NEWARK PLANT TO CLOSE FOUNDRY DEPARTMENT OCT. 1

The foundry department of the James Graham Manufacturing Company of Newark is to be permanently closed down on October 1, ending an operation of 66 years, it was revealed this week by the company.

The plant, makers of Wedgewood stoves, is closing the department because of the lack of sufficient space for the storage of the materials for the foundry. The foundry work will be "farmed out" to other plants, a spokesman said yesterday.

It was reported that as many as possible of the 24 employees in the foundry department will be absorbed in other departments and the space taken up by the foundry will also be taken over by other departments.

The company, one of the best known manufacturers of stoves on the west coast, was first started by the late James Graham in 1882 and now employs 650 workers.

FREE X-RAYS FOR ALL COMMUNITIES

Residents of the township, 15 years of age or older, will be offered free chest x-rays next week in their communities through the co-operation of the Alameda County Tuberculosis Association.

The x-ray truck, which was purchased from funds collected through the sale of Christmas Seals, will visit each town in the township during the next two weeks. Richard L. Head, executive secretary of the Alameda County Tuberculosis Association, has reported that it will not be necessary for persons to undress to have the free x-rays made and the line will move rapidly to avoid any delay.

The itinerary of the truck is as follows:

- Decoto—School, on Wednesday, September 7.
- Niles—Theater, Thursday, September 8.
- Centerville—Kleine's Restaurant, near theater, Friday and Saturday, September 10 and 11.
- Newark—Post Office, Monday, September 13.

With the steady climb in the number of pupils in most of the schools the Boards of Trustees are faced with the necessity of constructing additional facilities. New classrooms have been completed at Decoto and Alvarado and annexes are under construction at Irvington and Centerville. Newark has recently received approval for an entire new school plant and additional building has been deemed necessary at Decoto.

5-YEAR PLAN

The Board of Trustees of Washington Union High School, realizing that their present facilities will be inadequate within a short time, has begun a five-year plan of expansion in coping with the problem.

The enrollment at the high school is expected to be well over 700 this year and District Superintendent J. V. Gould, principal of the school, said this week that the teaching staff of the school is filled.

The staff at the school includes: Miss Grace I. Knoles, Mrs. Martha Hartsof, Mrs. Florence Smith, Miss Lois Nickolson, Bryce C. Phillips, Judson Taylor, Stebler Loze, Mrs. Emma M. Doane, Mrs. Leola E. Hyde, Mrs. Grace C. Jackson, Miss Mary Van Winkle, Gerald Rehrg, Dwight Thornburg, Mrs. Harriet Thornburg, Miss Dorothy Czerny, Miss Enid Lovett, Miss Audrey Carmody, Mrs. Janet Bruner, William D. Mette, Hugh Kibby, George K. Reeves, Jed Oxborrow, Mrs. Mary A. Souza, Robert I. Hird, Clyde Voorhees, Mrs. Louis Nelson, Miss Gertrude Mozzetti, Principal Gould, and Vice-Principal Warren Gravestock.

ADDITIONAL TEACHERS

New instructors who have been added to the staff this year are: Miss Argentina Soto, Spanish and English; Eugene Early, English and social studies; Don Wolfe, current problems and boys' physical education; Miss Mary F. Robertson, basic science; and George Wiens, woodshop, mechanical drawing, and machine shop.

NEW PLANT WILL OPEN IN NEWARK

Newark, hailed by its Chamber of Commerce as the fastest growing community in Southern Alameda County, is to have as its latest addition a \$100,000 meat processing company.

The firm, Yearington Meat Packers of Oakland, which will manufacture dog food, is expected to begin operation at its new site on Wells avenue in about 60 days.

The company will move its headquarters here from Oakland and its slaughter house in Hayward to the new location. James Augustine, owner, estimated this week that the plant would employ about 50 persons at an annual payroll of about \$200,000.

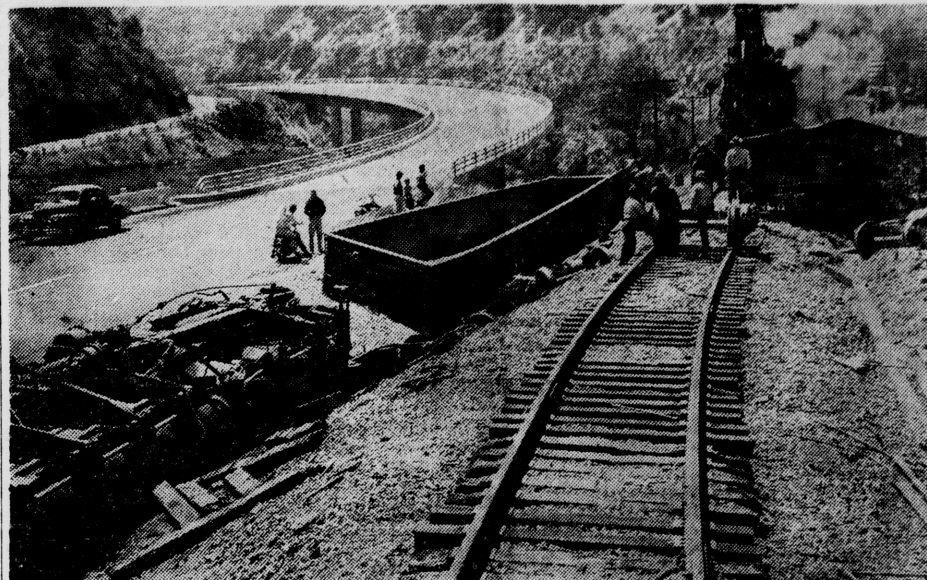

The site of the new plant includes eight acres near Westvaco and will utilize facilities formerly used by another meat packing concern. The plant is being supplemented with a building now under construction.

FORMER RESIDENT DIES AT HAYWARD

Funeral services were held in Hayward Tuesday for Frank Martucci, 52, former Niles resident who succumbed in Hayward Saturday after a year's illness.

He was president of Hayward Bartenders Union No. 823, a member of Hayward American Legion Post No. 68 and the Hayward Order of the Purple Heart.

HOSPITAL BOARD OF DIRECTORS HIT LEGAL SNAG

The Board of Directors of the Washington Township Hospital District received an opinion this week from J. F. Coakley, Alameda county district attorney, stating that the employment of a counsel by the board to guide it in all legal phases was not authorized by law.

The board had written Coakley asking if it has the authority to:

1. Hire an attorney to work for the hospital district.
2. To hire anyone else the board deems necessary.

In rendering his decision, Coakley referred to portions of the Health and Safety Code, in his four-page reply to the directors.

POWERS LIMITED

His letter stated: "In answer to your first question, it is our opinion that the Board of Directors of the Washington Township Hospital District has the authority to employ or retain counsel for the purpose of commencing litigation on behalf of such district and for the purpose of defending such district in litigation against such district, since this power flows by necessary implication from the power to sue and be sued."

"It is our further opinion that the Board of Directors . . . has the authority to employ or retain counsel for other purposes only where the circumstances make it reasonably necessary in order to carry out the functions for which it was organized or to preserve the district or its property or to carry out its expressly enumerated powers."

"In answer to your second question, it is our opinion that the Board of Directors . . . has the authority to determine the number of and to appoint and to fix the compensation of the manager, secretary and such other officers and employees as are reasonably necessary to carry out the functions for which such district is organized, as provided by subdivision of the Health and Safety Code, except that any contract with a physician and surgeon for the rendering of professional services in the hospital must go on such basis as does not result in any profit or gain to the district from the professional services of such physician and surgeon."

TO MEET WEDNESDAYS

"Nothing in this opinion is to be construed, however, as meaning that the Washington Township Hospital District has authority to retain or employ counsel or to appoint any officers or employees, unless such district has funds available for such purpose at such time or has made sufficient budgetary appropriations therefor."

The next meeting of the directors will be held at Washington Union High School on Wednesday, September 8.

NILES JAYCEES HOLD ANNUAL BARBECUE

Thirty-nine members of the Niles Junior Chamber of Commerce motored to San Jose last Thursday evening for their annual barbecue dinner at the Wieland Brewery in that city.

Secretary Vernon Ellsworth said this week that the last group to leave for the return trip home ended up with an extra hat. He asked all members to make a hasty inventory and call at his office for the hat.

NOT ALWAYS THE WAY IT SOUNDS

Serving as chief registrar for the current draft registration is not always as easy as it might seem, just filling out the questionnaires for the youths, at least that was the discovery made this week by Col. Eugene Manning of Centerville.

A young Mexican boy seated himself before Manning on Wednesday and the two struggled through the preliminary questions and answers. It was the question asking for the name and address of a person that would always know the address of the registrant that threw Manning for a loss.

The named of the person Manning was able to ascertain, but from there on it sounded like "got-your-moccasins."

"Guess I misunderstood you, sounded like you said got-your-moccasins," Manning retorted with a chuckle. "Now what was that again?"

"Got-your-moccasins," came back the reply.

Some thirty minutes and forty questions later it was finally recorded that the address was GUAYHTEMOTZIN, Mexico.

K. OF C. INSTALLS NEW OFFICERS

George Kommes was installed as Grand Knight of the Knights of Columbus Council No. 2692 at ceremonies held last Thursday evening at Parish Hall. He succeeds John Cattaneo in the position.

Other officers seated were: Walter Connolly, deputy grand knight; Clifford Rogers, chancellor; John Holland, warden; Antone Maciel, outside guard; Lionel Goularte, inside guard; George Roderick, financial secretary; Louis Mayer, recording secretary; M. Silva, financial recorder; and Jose Luiz, M. S. Lewis and George Coit, trustees.

Installing officer was District Deputy Anthony Silva, a member of the Centerville Council. Representatives of all the Eastbay Councils attended the ceremonies.

DECOTO MAN TO SUPERIOR COURT ON MURDER CHARGE

The case charging Eliseo G. Boisse, 20, 313 Sixth street, Decoto, with the murder of Walter Duran, also of Decoto, was certified to Superior Court for trial last Friday by Judge E. A. Quaresma.

After hearing some two hours of testimony in Niles Justice Court during the preliminary examination, Judge Quaresma held the defendant to answer. He will be held in custody of the sheriff's office awaiting trial.

Boisse is alleged to have fatally stabbed Duran on the night of August 15 outside a Decoto tavern following an argument.

Witnesses called by Deputy District Attorney Frank Vukota, in presenting his case here, were Hector Gonzales, who witnessed a part of the fight and in whose car Duran died while he was attempting to locate a doctor, and Raymond Boisse, 16, half-brother of the defendant, who testified that he threw a large spring-type knife into the bay after it had been handed him by his brother immediately following the fight.

3 YOUTHS ADMIT NILES BURGLARY

Three Decoto youths, ages 15, 16 and 17, are in custody at the county detention home following their arrest early Monday morning for investigation of auto theft and burglary.

The 15 and 17 year old boys were apprehended by San Leandro police in a car allegedly stolen from Harry B. Blackwell, employee at the Pacific States Steel Mill.

When questioned by deputy sheriffs in the Hayward station the youths said they had burglarized the Peerless State Depot in Niles early Saturday morning, taking \$31 in small change and about \$5 worth of merchandise.

Their story implicated the 16-year-old brother of the older boy, who was picked up at his home where he lives with his parents, eight other brothers and sisters, ranging in age from 2 to 30.

Registration Is Light For Draft Sign-up

Registration of 18 to 26-year-old men of Washington Township opened here Monday for the second time in the past decade and the number of registrants the first three days was far below the number anticipated.

Chief Registrar Eugene Manning of Centerville reported that at noon Wednesday a total of 164 men had signed up at Washington

SUPERVISOR TELLS OF COUNTY-WIDE CONSERVATION PLAN

County Supervisor Chester E. Stanley was the guest speaker at the luncheon meeting of the Centerville Chamber of Commerce on Wednesday and explained in some detail the proposed county-wide water conservation and flood control district.

"We must remove possible causes that we might have a flood, to better assure farmers and industry desiring to locate here that they will not be flooded out," the supervisor said.

MUST SAVE RUN-OFF

In the way of water conservation, he pointed out that "We must conserve every bit of run-off water we have and keep our streams alive to let water infiltrate into our gravel stratas."

He stated that Supervisors had recently been criticized by the Board of Directors of the Alameda County Water District for lack of financial cooperation in assisting in the project of cleaning the brush and silt from Alameda Creek to allow better percolation.

"We are very limited in any expenditures through our general budget," Stanley told the group. "The only way we could help them was through any damage to county roads because of lack of flood control."

LOCAL DISTRICT UNCHANGED

He revealed that a survey is now in progress in the hills back of Livermore to ascertain if there is enough water run-off there to merit the construction of reservoirs and dams. The two year program will cost approximately \$19,000, half of the expense to be borne by the county and half by the state.

Asked what would be the status of the Alameda County Water District if the proposed county-wide water conservation and flood control district would be established, Stanley explained that it would undoubtedly carry on as in the past, that of furnishing water to the residents of its district.

Gonsalves, a native of Mexico, is survived by five brothers and sisters, Mrs. Robert Duran, Mrs. Frank Garcia, and Bessie, Socorra and Jesse Gonsalves, all of Decoto.

Registration Is Light For Draft Sign-up

Registration of 18 to 26-year-old men of Washington Township opened here Monday for the second time in the past decade and the number of registrants the first three days was far below the number anticipated.

Chief Registrar Eugene Manning of Centerville reported that at noon Wednesday a total of 164 men had signed up at Washington Union High School, registration center for the township. MANY VETERANS A break-down of the tabulations thus far revealed that of the total only 15 were local single, non-veterans. Seventy-four of the registrants were veterans of World War II and a large portion of the men signed up here were transients either here on vacation or working.

CLOSED MONDAY

The center will be closed Monday in observance of Labor Day but will be open again on Tuesday for the registration of men born in 1925. Wednesday and Thursday has been set aside for men born in 1926. Men born in 1927 will register Friday and Saturday. Men born in 1928 will sign up on September 13-14. Those born in 1929 on September 15-16, and those born in 1930 before September 19, will sign up on September 17-18.

Questionnaires are expected to be sent out to the men within the next two weeks but no actual drafting is expected to begin before October.

HAYWARD YOUTH ADMITS LOOTING

Forrest B. Wright, 23, Hayward, entered pleas of guilty to two of the four counts of burglary and attempted burglary in Niles Justice Court last Friday and his case was certified to Superior Court for sentencing.

The youth was charged with burglarizing filling stations in Livermore, Centerville and Warm Springs and attempting to burglarize a station in Mission San Jose.

Deputy District Attorney Frank Vukota, in accepting the plea of guilty to the Centerville and Warm Springs burglaries, moved for dismissal of charges involving the stations at Mission San Jose and Livermore.

FATHER KILLED BY SON IN HUNTING MISHAP AT SUNOL

A coroner's jury, meeting at the Berge Mortuary Company in Niles yesterday, ruled the death of Reginald Grisez, 41, San Francisco deer hunter killed Sunday near Sunol, the result of an accident.

Grisez, hunting with his 16-year-old son Daryl, on the Tom Wauhab ranch, was chasing a deer down through the brush where his son was hunting, hoping the youth would get first shot at the animal. He called to the boy telling him to get the buck and crashed through the brush after it. The lad raised his rifle and fired and then saw his father fall to the ground with a bullet hole in his side.

The dying father fought back the pain to tell the son, "It was just one of those things, son. You can't blame yourself." He remained conscious for an hour and a half while an ambulance tried to get to the remote location. After telling friends what he wished done with his properties he turned to his son and said, "Daryl, I think that it is time we should pray." A few minutes later he was dead.

BASIC COUNTY TAX RATES WILL NOT BE RAISED

The Alameda County Board of Supervisors this week fixed the 1948-49 basic tax rate at \$1.93 per \$100 of assessed valuation, the same rate that prevailed last year.

The statement issued by Chairman of the Board Harry Bartell said that the board's policy was to include in this year's budget only the established and urgent needs of the county in order to keep the property tax burden at a minimum.

"An increase of \$45,000,000 in the total assessment roll, as reported by County Assessor Louis J. Kennedy, was an important factor in keeping the county tax rate down to last year's level and enabled the supervisors to meet many of the increased costs of government in this rapidly expanding community without increasing the tax rate," Bartell said.

The tax rate was adopted by the unanimous vote of the board members following a series of conferences and public meetings with taxpayer groups and heads of departments in county government.

The statement by the board concluded with: "The Board of Supervisors reports to the public that the finances of Alameda County are in excellent condition."

IRVINGTON DOWNS JEFFERSON: BOOK MORE HOME GAMES

In one of the most thrilling baseball games ever played on a local diamond, the Irvington Merchants defeated the Jeffersons of San Francisco at Irvington Sunday afternoon by the score of 6 to 5.

A near capacity crowd was on hand to watch the two evenly-matched teams battle for the winning run. The score saw-sawed throughout the game with the lead changing seven times in the nine innings.

CHAPMAN SAVES DAY

The Irvingtonites went into the ninth inning trailing 5 to 4. With two away Hank Dutra got on base on a Jefferson error. In what the Jefferson club considered good strategy, they gave up an intentional walk to Teddy Garcia, who had already rapped out three hits. With two men on base Pitcher Monigal elected to pitch to Ralph Chapman and that was his downfall. Chapman smashed out a triple to score the tying and winning run.

Hank Dutra, Irvington mound ace, was in top form Sunday, giving 11 strike-outs and giving no charity bases. He also contributed to his victory at the plate by banging out a triple and scoring three of the six runs.

MORE HOME GAMES

This Sunday the Irvington club will journey to Clear Lake for a game and the following Sunday the club will play another game on the Irvington diamond. "The turnout last Sunday indicated that the people of the community are interested in backing the team with better attendance than in the past, so we are going to begin scheduling more home games," Manager Frank Mayer said this week.

The box score of Sunday's game:

NILES MERCHANTS SCORE SHUTOUT

While Guy Pugmire was holding the Freddie Beauty Lounge baseball club scoreless, the slugging Niles Merchants rattled the fences for 11 runs last Sunday at the Lockwood diamond in Oakland for an 11 to 0 shutout over the city team.

Pugmire hurled a four-hit game to blank the opposition while Troy Holderfield led his teammates in hitting, getting three for four trips to the plate.

The Niles men, heckled throughout the year by costly errors, played errorless ball Sunday to attain their lopsided win.

CARVALHO LOSES IN BOXING FINALS

Decoto's Henry Carvalho, Golden Gloves ring champ, last Friday night lost out in the finals of the annual Diamond Belt Boxing Championship in San Francisco where 19 amateur boxers were crowned.

Fighting in the Junior Division, 118 pound class, Carvalho lost a close decision to Junior Allen of Hunter Point.

Fish oil and meat production during 1947 declined sharply for the third successive year, due to the disappointing yield of California sardines, which normally accounts for 25 per cent of American fish tonnage.

DECOTO CHAMBER CHALKS UP WIN

The Decoto Chamber of Commerce softball team, which lays claim to the title of Washington Township champs in the Chamber of Commerce circles, scored a 11-10 triumph over the San Leandro Furniture Company on the Decoto school diamond Sunday.

The Decoto city dads went into the final inning trailing 10 to 5 but a last minute rally netted them five runs and tied up the game. In the first extra inning of play the localites went on to win the affair.

Frank Borghi hurled for the Decoto club.

DECOTO LOSES IN ELEVEN INNINGS

After leading the V.F.W.'s of Emeryville the entire game until the final inning, the Marlo baseball team of Decoto suffered a 3 to 4 defeat last Sunday on an Oakland diamond.

Buddy Ramirez hurled a 10-hit eleven innings for the Marlo club and had a no-hit game going into the eighth. Accounting for the Decoto runs were hits by Lemmos, Elizarries, Pete and Frank Rebeijo. "It was a tough one to lose, but the boys played outstanding ball the whole eleven innings," said Manager Al Ferreira.

ANGLER UNHAPPY OVER PRIZE CATCH

A. H. MacGregor, San Jose, father of J. I. MacGregor of Centerville, is mumbling to himself this week, and it sounds something like this — "What happened to me shouldn't happen to ... well, to any fisherman."

Mr. and Mrs. MacGregor Sr., accompanied by their two sons, A. R. MacGregor of San Jose and Jack of Centerville, motored to Lost Creek near Marysville last week-end for an enjoyable two days of fishing.

The senior MacGregor was fortunate enough to land a 12½ pound German brown trout, which is certainly nothing to mumble about. However, one of the natives told the party to be sure to stop at the dam and register the fish as there was a fishing contest then in progress.

The party stopped and asked to register their prize catch but were informed that the contest had closed the previous week.

"What was the weight of the prize-winning German brown trout?" asked Jack.

"An even 9 pounds," the contest judge replied.

Feeling elated over the fact that their catch would have won the prize had it been bagged one week earlier, Jack asked the question which he now wishes he had left unsaid—"What was the prize?"

"A \$165 outboard motor and a \$25 bond," was the answer.

KLEINE TEAM ENDS TOURNEY PLAY

The Kleine softball team of Centerville was eliminated from the Livermore Invitational Tournament Monday night by virtue of the 6-0 defeat dealt them by the powerful Burgermeister team.

The Kleinenmen won their opening game of the tourney last Thursday by thoroughly trouncing the Bill Cody Post team of Hayward, 14 to 0.

Silica, including quartz and glass sand, produced in California during 1947 totaled 358,942 tons, worth \$997,984.

The Misses Rosie Rogers and Betty Allender of Irvington were co-hostesses at a lawn party given last Friday evening at the home of Mr. and Mrs. Herbert Rogers. Twenty-five members of the Irvington "young set" enjoyed the evening of dancing, games and refreshments.

Good Fishing

Mr. and Mrs. Jack Pool, Newark, and Mr. and Mrs. Willard Walker and daughter, Jacque, of Centerville, have returned home after enjoying a week of trout fishing in Lassen Park. Unlike most vacationists, they found the spot where the fish were plentiful and reported getting their share.

Thornburgs Home After Eventful Summer

Mr. and Mrs. Dwight Thornburg and their two daughters are already in the swing of local affairs again, now that they've returned after a seven weeks' combination vacation and summer school in southern California. The Thornburgs attended summer classes at Pomona College while their daughters took advantage of some of the recreational facilities of the college, so the whole family kept busy and happy. One of the highlights of their stay down there was seeing a performance of the light opera, "Magdalena." They enjoyed it so much, in fact, that they attended another performance here in San Francisco shortly after their arrival home. While in the south they also took in the sights of Arrowhead and Catalina, and spent one very interesting evening at Padua Hills, the theater-restaurant. All in all, they had what they called "the best vacation ever."

Parry Family Entertains New Yorkers

Mrs. Catherine Parry will return to her duties as manager of the Niles School cafeteria with a wealth of pleasant memories of a happy summer vacation behind her. It all came about because her sister, whom she hadn't seen for 28 years, was here as her house guest this summer. The sister, Mrs. Robert Owen, came to Niles from New York, accompanied by her husband, supervising engineer of the Edison Power plant in New York, and their two daughters, Betty and Eleanor.

With their cousins, Jack and Tom Parry, the two girls had a delightful time seeing some of the better-known night spots, including dinner and dancing at the Claremont. Mr. and Mrs. Robert Williams of Piedmont also entertained at a dinner party for the New Yorkers, to which, of course, the Parrys were also invited.

The Owen family returned to New York after what they termed "a wonderful three weeks" and with promises from the Parrys to pay a return visit to New York at their earliest opportunity.

Anniversary Fete

Mrs. Clarence Crane was the honoree at a surprise party given Saturday evening at the John Holland home on Santos Road with Mrs. Holland, Mrs. Marian Zwissig and Mrs. Rose Vieux serving as co-hostesses.

OLIVER W. BENBOW CLAIMS BRIDE AT ESPARTO IN SUNDAY NUPTIALS

Miss Edna Durst of Esparto became the bride of Oliver W. Benbow of Irvington at 2 o'clock ceremonies held Sunday, August 29, at Esparto Countryside Community Church.

A reception attended by more than 100 friends and relatives was given at the home of her parents, Mr. and Mrs. Herman Durst, in that city immediately following the ceremony.

The Rev. James Miller of the Davis Community Church officiated and the bride was given in marriage by her father.

Her wedding gown was of white satin with a sweetheart neckline and a lace yoke. Tiny seed pearls encircled the neckline. With the gown the bride wore a fingertip veil, fastened to her head with an orange blossom crown. Four inches from the bottom of the veil was a row of orange blossoms and white ribbons. She carried a bouquet of white orchids and roses. Attending her as matron of honor was her sister-in-law, Mrs. Melvin Durst of Esparto, who wore a gown of aqua Marquise and a flowered headpiece and carried a bouquet of pink carnations.

Melvin Durst, brother of the bride, served as best man and usher were Milton Dyer of Yuba City, cousin of the groom, and Oscar Durst Jr. of Capay, cousin of the bride. Miss Marilyn Mc-

Ginnis of Esparto sang "Always" and "Because."

The church was beautifully decorated with palms, ferns and white carnations and gladioli.

Mrs. Durst, mother of the bride, was attired in a beige dress, matching hat, black accessories and carried a corsage of orchids.

Mrs. William Benbow, Irvington, mother of the benedict, wore a beige ensemble with cocoa-brown accessories and also carried an orchid corsage.

The benedict, son of Mr. and Mrs. William Benbow of Irvington, is in partnership with his father on a dairy ranch in Milpitas. He is a graduate of Washington Union High School. The bride was graduated from Esparto high school and attended San Jose State College.

For her going-away outfit the bride wore a suit of bluish-grey corduroy with a pink blouse and brown accessories. Following their three-week honeymoon the young couple will make their home in Irvington.

Attending the ceremonies from this vicinity were: Raymond Benbow and family; Irvington; Mr. and Mrs. William Benbow, Irvington; Mr. and Mrs. Wesley Hammond, Newark; Mr. and Mrs. H. N. Hansen, Pleasanton; Roy Horn of Oakland, and Nelda Hammond and a friend from Oakland.

Allans Have Son

Mr. and Mrs. Bill Allan of Centerville became first-time parents to a son last Saturday when young Joseph Patrick Allan made his appearance at Alameda Hospital. The new Centerville resident tipped the scales at an even 8 pounds.

To Mother Lode

Mr. and Mrs. Frank Fields of Niles are home again after a leisurely trip up through the Mother Lode country. In spite of the hot weather, they enjoyed the vacation immensely.

In the Northwest

Mrs. Marian Pine of Niles, accompanied by her daughter and son-in-law, Mr. and Mrs. Ray Rubin, returned home after a glorious trip in the northwest. Gone for ten days, they motored as far as Vancouver, B. C., taking in the sights of Oregon and Washington en route.

Circus Goers

Mr. and Mrs. Vernon Leal and Mr. and Mrs. Edward Miller of Irvington attended the opening night performance Monday of the Ringling Brothers-Barnum and Bailey Circus at the Cow Palace in San Francisco.

In Lake County

Mrs. L. R. Batman and youngest son, Billy, are in Harbin Hot Springs in Lake County this week, where Mrs. Batman is trying to shake a persistently stubborn summer cold. They will be joined at the end of the week by Mr. Batman and their eldest son, Don.

Attend Circus

Mrs. Charles Pool, Mrs. Willard Walker and daughter, Jacque, Centerville, were among the circus-goers who attended the afternoon performance of the Ringling Bros.-Barnum and Bailey show in San Francisco on Wednesday.

Visits Mother Here

Mrs. Margaret Williamson Flesher and two children are spending the week at the home of her mother, Mrs. Gladys Williamson in Niles.

Return from Vacation

Mr. and Mrs. E. Dixon Bristow and daughter, Mary Virginia, returned to their home in Niles Monday after enjoying a week's vacation at Marysville visiting relatives.

Visit Mother Lode

Mr. and Mrs. Frank Fields of Niles returned last Friday from a week spent in visiting the picturesque old towns of the Mother Lode area.

New Daughter

Back at their home in Newark are Mr. and Mrs. Louis Frank Amstalden and little daughter, Leanna Jean, who made her initial appearance at O'Connor Hospital in San Jose on Monday, August 23.

New Resident

A new resident in Niles these days is Harvey Jace Holderfield. The new heir for Mr. and Mrs. Jason Claude Holderfield arrived at Community Service Hospital in San Jose on Wednesday, August 25.

ALVARADO EAGLES ATTEND INSTITUTE

Officers and members of the Alvarado Aerie of Eagles attended the institute meeting of the new Eagles Aerie in San Lorenzo Village on Wednesday evening. Guest speaker at the initial meeting was Charles Francisco of Livermore, state vice-president.

Attending from the Alvarado Aerie were: Walter Texera, worthy president; Joe Martin, past president; and Joe Lewis, Arthur Soito and A. Rogers.

Bob Solon Weds Oakland Girl

The arrival of the President Cleveland in San Francisco bay two weeks ahead of schedule was responsible for the change in wedding plans for Robert Solon, son of Mr. and Mrs. Leon Solon of Niles, and his bride, the former Hollis Nichols, daughter of Mr. and Mrs. W. Stanley Anderson of Oakland.

The two had planned to be married this week, but were married last Friday instead, and now the bridegroom, Chief Marine Engineer on the President Cleveland, is out to sea again. He will return in about 38 days to the young couple's apartment in Oakland.

Mr. Solon is a graduate of Washington High and went to the University of California at Berkeley for four years. He is also a graduate of King's Point Academy.

His bride attended the Berkeley schools and also the University of California.

Because the wedding date was moved up, Mr. and Mrs. Leon Solon were unable to attend their son's wedding as they were vacationing in the Mt. Lassen area with Mr. and Mrs. Jack Geib. Their new daughter-in-law will be their house guest for a few days this week.

Antone Georges Host Barbecue

Mr. and Mrs. Antone George and son, Marvin, of Niles, hosted a chicken and steak barbecue at their home on the Niles-Alvarado road last Sunday evening to a group of their friends.

Guests who enjoyed the fine barbecue and all the trimmings were Mr. and Mrs. Sam Ray, Livermore; Mr. and Mrs. Alfred King and son of Niles; Mr. and Mrs. George Rogers, Niles; Miss May Fontes, Alvarado; Mr. and Mrs. A. J. Caderno, Alvarado.

A county, a volcano, and a national park are named for Peter Lassen, early California pioneer.
